

## **PRESIDENT'S REPORT**

*Arnie Wolfman, President*

Bob Bankard and Gene Friedman, our two Trustees whose terms end in May, were each nominated for election for another 2-year term. No other nominations were received. Therefore, as they are not being challenged for re-election, they have been unofficially re-elected for 2-year terms starting May. They will be officially reseated at the May Communications Meeting. Congratulations, Bob and Gene! And thanks for all of your past hard work and dedication!

As I am writing this report, they are telling me that spring has arrived. Unfortunately, no one has apparently told that to the weather gods as we are awaiting the fourth nor-easter of the month, with as much as 10-15 inches of snow expected! Hopefully, by the time you read this spring will have really arrived.

**HAPPY EASTER AND HAPPY PASSOVER!**
