The VG Office Manager tracks all resident communication, notifies the appropriate Board Member or Committee Chairperson, and continues to follow-up and respond.**

## **VGCA Communication**

- **VGCA Monthly Newsletter** is delivered to each home by the VG block captain at the beginning of each month. We are an active community – fortunate to have many volunteer residents running the many committees, events & activities available to our residents. The newsletter offers a snapshot of what is being planned – **but things change!**
- **Email is now our primary communication tool for keeping the community informed.** Official VGCA emails are branded with the same VG logo printed on the cover of this monthly newsletter. **We encourage you to read the weekly Sunday email update for the latest VG news and updates.**
